FROM THE HELM - COMMODORE'S REPORT

Greetings from the Deck:

November is almost upon us and with it comes the work parties to store the docks, our last club dinner, and the Thanksgiving Co-Op. And if this isn't enough we are going to try and throw in a few football games and maybe a little world series.

I want to thank the Robinette's and their crew for a great club dinner, from all the great comments I'm sorry that I missed it.

I would like to extend an open invitation to all club members to attend our monthly Board Meetings.

Board meetings are the 2nd Thursday of every month.

There are still a few more weeks left if there is anyone willing to run for an Officer position or for a board position, please contact me before the next board meeting.

Again, if you are looking to get the rest of your work hours in please contact one of us and we will come up with chores that need to be completed before winter sets in. If you already have your work hours completed please fill in the work assessment sheet in the back of your Hand Book and get it to Janet Moyette.

Remember to come by on Fridays, we still have great sunset to enjoy and as always great company and entertaining conversations to par-take in.

I look forward to seeing everyone at the bar Friday nights.

As always your Commodore,

Peggy Ricards

Vice Commodore's Report

I am writing this report from Palm Springs, California. It is 104 degrees and very hot. I understand that the dinner held on Friday, October 16th was a booming success. Thank you Dale and Carla Robinette, job well done.

I also understand that while I have been gone, the TV reception was said to be cut off for non-payment. I have paid all the bills that I have received, so I called Direct TV and was told that we have never been cut off and out account is current. This call was made on October 21st. So what gives?

I will be back in town on October 25th and 26th and then gone again until November 8th.

Don't forget Suzy Scott's Halloween Party on Saturday, October 31st at 7:00 PM.

Invite a friend to join our club and don't forget to tip your bartender.

Rear Commodore's Report

At Ease, listen up,

Its cold, you'd think it was November.

As I write this the docks are not out, but as you read this the docks are out. Well not out, but nested, or re-arranged. Winterized.

We had the trees thinned and cleaned and they look much the better for it. Still a lot of leaves to rake but we have had plenty of help in that regard. Ed and Darla Silling even brought their own rakes. All in all the grounds are looking well and I think we are in good shape going into winter.

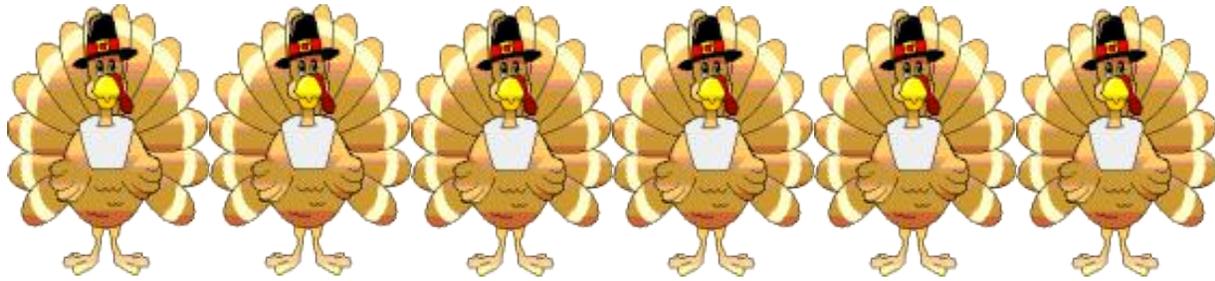

Vince spoke with John Johnson who volunteered his excavator to shore up the jetties and re-rip-rap the rip-rap. (What if you didn't know what rip-rap was.)

This little bit of prose gets shorter and shorter each month, doesn't it.

Ok that's all from the rear.

larry and judy

New Recruits (Membership Report)
